Dear Resident,

New East Dulwich Boys' Secondary School - Important Update

I am writing to ask for your views again in connection with the campaign by parents and residents for a new boys' secondary school in East Dulwich.

A planning application has just been submitted to Southwark Council for the new boys' school on the old school site near the junction of Peckham Rye with Friern Road.

The school will provide high quality education for 750 boys as well as a mixed sixth form for 200 pupils. It will be a non-denominational and non selective school that will work closely with the girls' school in Homestall Road.

Full details of the planning application are available from Southwark Council. They are contactable by writing to: Southwark Planning Control, Chiltern, Portland Street, London SE17 2ES by emailing: planning.enquiries@southwark.gov.uk or by ringing 020 7525 1137. The reference for the application is 07-AP-1431.

You can also see more background information about the new school by going to this web site: www.harrisboysacademy.co.uk

Please could you spare a few minutes to give your views about the plans for the new boys' secondary school by completing the enclosed short survey form which I will pass on to Southwark Council's Planning Department?

You can also send your views directly to Southwark's Planning Department using the contact details above. The council's deadline for consultation about this planning application is 18 July 2007.

If the application is granted by Southwark Councillors it will mean that construction of the new school can begin in March 2008.

It is important that Southwark Council understands the depth of local opinion about the plans for this much-needed secondary school so I would encourage you to respond.

With best wishes,

Tessa Jowell MP
