Dear Tessa,

Thank you for your letter of 28 May to George Osborne on behalf of your constituents, making a representation ahead of the June Budget about mental health issues. I am replying as the Minister responsible for this policy area.

I am grateful to you for drawing to my attention the issues set out in your letter. My officials are closely examining your ideas and suggestions. While it would not be appropriate to respond in detail to the points you make, I can assure you that they will be taken into account in the preparation of the Budget.

I would like to thank your constituents for taking the time to contribute to the Budget process. I hope that this helps you respond to your constituents.

Best wishes,
