Dear Tessa,

Thank you for your letter of 28 May to George Osborne enclosing correspondence from one of your constituents, making a representation ahead of the June Budget about the environment. I am replying as Minister responsible for this policy area.

I am grateful to you for drawing to my attention the issues set out in your constituent's letter. My officials are closely examining your constituent's ideas and suggestions. While it would not be appropriate to respond in detail to the points made, I can assure you that they will be taken into account in the preparation of the Budget.

I would like to thank your constituent for taking the time to contribute to the Budget process. I hope that this helps you respond to your constituent.

Best Wishes,
